PURSUANT TO 37 CFR 1.116

December 13, 1991

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

IN THE SPECIFICATION

Please amend the description of the drawings in the  
specification as follows:

Figure 1 is a front, ~~top~~ perspective view of a miniature  
flashlight [in candle mode] showing my new design.

IN THE CLAIM

Please amend the claim as follows:

After the word "a" ~~delete~~ the words [candle mode] and add  
the word -- miniature --.
